ChildStrive
Child • Family • Community

Miss Renee, a ChildStrive Special Educator, is part of the team putting on weekly **Circle Time Facebook Lives**, which include songs and stories children are used to hearing at ChildStrive's in-person groups. Follow their Facebook for more content (@ChildStrive)!

Thank You For Helping Us Donate \$1,150 to ChildStrive!

A big thanks to all who sent their agent referrals from January-March! Mosaic donated \$10 per referral to ChildStrive's cause. Learn more about their mission and current work at [ChildStrive.org](https://www.childstrive.org).

We are gathering referrals now for local charity, Homage, a senior service facility in Lynnwood, WA. You can read more about them at [Homage.org](https://www.homage.org). We look forward to helping Homage during the COVID-19 crisis. We will announce in July how many funds you helped us raise.

What to Do Now During the Coronavirus Quarantine?

Mosaic is still operating remotely during normal hours. We know—This seems to be going on forever! Keep hanging in there! You can still have fun and practice safe distancing in quarantine. **Our awesome team wants to share some ideas with you to help pass the time:**

1. **Single canoeing** with friends at a distance.
2. **Homemade glitter goo!** There are lots of recipes online. The one pictured is made with glitter glue, shaving cream, and laundry soap.
3. **Hydroponics:** Regrow veggies from scraps for a fun science experiment to do with the kiddos.
4. **Show your neighborhood you think they rock.** Paint rocks and hide them on walks.

A Recent Review!

“Mosaic Insurance provided me with all my insurance needs and made the process easy. Karen, guided me through my options, gave me the best rate and signing me up was fast. I also was needing insurance that day and Karen made it happen!!! I will continue to give them my business. Thanks again Mosaic Insurance.”

- Jason B. from Lake Stevens, WA

Travelers' New Quantum 2.0 Air B&B program

Are you renting out part of your home or another structure on your property? Or, do you have a summer home that you use for personal use and/or rent out during the summer months and you are looking for longer coverage?

Mosaic now has access to Travelers' new Quantum 2.0 Program that will help you get better Air B&B coverage while saving you money. The 2.0 program allows policies to have the “Home Sharing Host Activities” endorsement for a fraction of the cost, and opens up the possibilities for clients like you to get coverage on primary and secondary homes that are fully or partially rented out.

With a Travelers 2.0 homeowners insurance policy, we have the option to cover entire rooms, entire floors, a garage, a guesthouse, and/or other structures.

For this type of host protection insurance policy, it generally covers the liability (in the event of a lawsuit) and property of the insured (in case anything is damaged).

Interested in a free quote? Give us a call at **425-320-4280**. You can also email us at info@mosaicia.com if you have any questions!
