HAPPY HALLOWEEN!

A neighborhood witch wants to make her yearly wart potion, but she misplaced her recipe! She can't remember how many spiders she needs. You don't want to have to see her warts all-year-round! So, like the good neighbor you are, you'll be there to help her (and you) out, right? Can you figure out how many spiders she needs?

$$\text{Pumpkin} = 15$$

$$\text{Ghost} + \text{Pumpkin} + \text{Witch Hat} + \text{Pumpkin} = 50$$

$$\text{Spider} = ?$$

$$\text{Witch Hat} + \text{Pumpkin} = 21$$

$$\text{Ghost} + \text{Cauldron} = 33$$

$$\text{Pumpkin} + \text{Pumpkin} + \text{Pumpkin} = 31$$

$$\text{Spider} + \text{Cauldron} = 13$$

She needs ____ spiders!

Have a Fun Halloween, Peeps!

Fun social distancing ideas:

1. Have a **candy scavenger hunt** inside your house or yard. Turn all the lights off, give everyone a flashlight, and go hunting for those yummy treasures!
2. **Carve pumpkins** with big mouths and then use them in a fun game of **Peep toss**! The pumpkin that eats the most Peeps wins.
3. Do a **spooky blindfold hunt**. Have someone search for eyeballs, spiders, skeletons, pumpkins, and more in bowls of whatever you can think of! (i.e. Jell-O brains, spaghetti noodle zombie guts, etc.)
4. Play **treat dart toss**. Fill balloons with small wrapped candies and pin them on a board. As they get popped, more treats will appear!

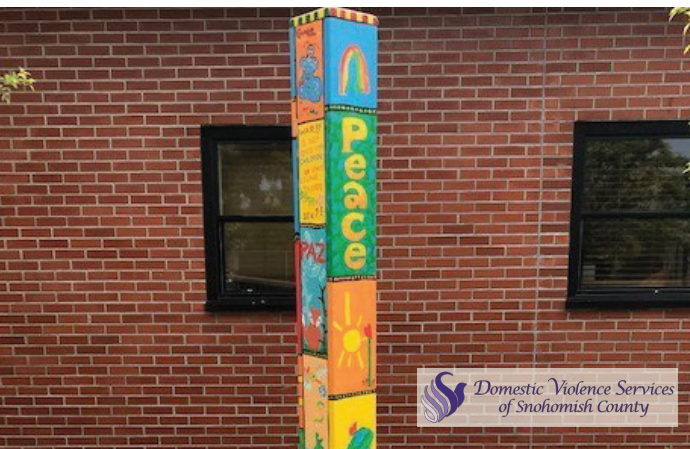

A Recent Review!

“**Irma** is always available to answer any questions. She is super nice and friendly. She also takes her time to explain every coverage. If you are looking for a good agent, I recommend Mosaic especially Irma. Thank you again for your help.”
