Happy Valentine's Day!

You have a date with the word wheel

How Many Words Can You See?

Each word must use the middle letter (E) and at least 2 others from the pie pieces. All individual letters can only be used once. There are a handful of Valentine's Day words and lots of others!

We'll help you get started: *SWEET*

**Our tip articles
can help you with
things like...**

- Winter Safety Kits
- Power Outages
- Flooding
- Driving in the Rain

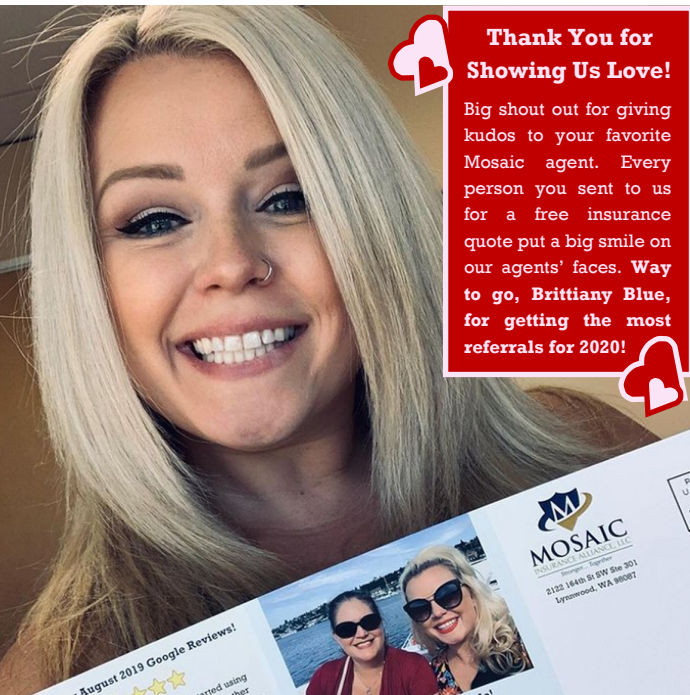

A Recent Review!

“**Brittiany** was extremely responsive and made time to discuss my insurance coverage requirements and limits. After our discussion I feel I purchased the right amount of insurance and am insured with a quality insurance company. Her professional approach and industry knowledge are an asset, I will use her and her team for all my insurance needs going forward.

- **Cyrus A. from Everett, WA**

Our First Charity for 2021!

The center uses donations for things like upkeep expenses and community social activities. Current top needs include upgrades to the bathroom floors, exterior lights, and heating system.

Mosaic will donate \$10 to the center for every person or business who gets a free insurance quote from us after you refer them between January 1 and March 31. Referrals can be anyone you know, like a friend, family member, coworker, neighbor, or local business owner you adore!

All you do is give them our contact information, or have them contact us and let us know that you referred them.

It Feels Good to Give Back

Thank you for helping us donate \$530 to the food bank for the last quarter of 2020! The money you helped us raise will go towards supplying food for local children, parents, the elderly, the disabled, and other individuals falling on hard times.

Multiple times each week, the food bank supplies necessities like meals, school snacks, and toiletries. They also go above and beyond to supply holiday baskets for holidays like Easter, Thanksgiving, and Christmas. For Christmas, they run a toy drive as well for local children.
