

# A New Home? How Exciting!

**MOSAIC**  
INSURANCE ALLIANCE, LLC  
*Stronger... Together*

*Congratulations on your new purchase!*

**Have you explored home insurance options yet?** Having home insurance can help protect your new house so you don't have to worry about what you are going to do if the unexpected happens. Let me focus on the insurance you need to secure your new **house** so that you can focus on making it your **home**.

After all, a new house is so exciting—you want to get all the paperwork done as soon as possible so that you can start celebrating. So many new things are on your to-do list right now. **Move home insurance from your list to mine.**

No more calling around to different insurance agencies and being put on hold. When I am your independent agent, I do all the footwork, answering your questions and getting you the best insurance policy for your specific needs.

**Mosaic's independent agent = people-to-people relationships.** We put the client first, not the insurance company. I view you as a person with an individual situation. Whenever we have a chat, I tailor my next steps to what you and your family needs, getting you the best coverage at a competitive rate as soon as possible.

## The steps I'll take as your agent:

**Step 1:** Have a quick chat with you about your new home and collect information.

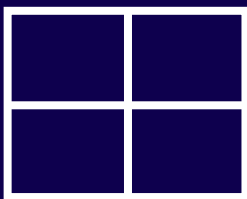

**Step 2:** Determine if bundling home and auto insurance would be beneficial for you.

**Step 3:** Run proposals for you with my different carriers and see what is the best fit for you (coverage and premium).

**Step 4:** Provide you with your proposal. Once you accept, I will work with you and your lender to ensure your closing process goes smoothly.

## 5-Star Client Reviews

“Had the pleasure of working with **Megan Mazingo**. Very professional, down-to-Earth, and knowledgeable. Changed my homeowner’s, auto and umbrella policy. Thanks Mosaic for hiring such a capable and caring employee!

~**Holt H. from Seattle, WA**

“I was shocked by my previous insurance companies increase to my same coverage policy at yearly renewal. Mosaic stepped up and researched based on my criteria for policy coverage needed to find me not only better coverage but at a substantially lower cost. My agent was extremely knowledgeable, professionally thorough and amazingly fast at putting the quote in my email box to review. I would recommend Mosaic Insurance for not only personal but commercial insurance as well to everyone. Thank you Mosaic.”
