

Mosaic Insurance Alliance, LLC is committed to providing quality insurance products for individuals and businesses across multiple states, including Alaska, Arizona, California, Colorado, Idaho, Montana, Nevada, Oregon, and Washington.

Since 2010, we have been committed to giving each client the best experience possible. With a heavy focus on providing personalized services to every client, we believe that combining quality service and products will greatly enhance your insurance experience. We manage risk and claims, regularly monitor policies, and are fully available. That's because we believe that by being supportive and involved throughout every step of the insurance experience ensures you have the security, information, and help that you need.

As an independent agency, we are able to partner with more than 50 different carriers. We shop these carriers for you in order to bring you the greatest selection of coverage and policy options. These programs provide core protection for what matters most to you, and we will work with you one-on-one to find a policy that best suits your needs. We combine our strong insurance background and product knowledge to assist both current and future clients in managing and planning for all types of potential risks.

WHY MOSAIC INSURANCE?

- We are licensed professionals with strong relationships with our carriers, customers, and within our community.
- We provide you with excellent service and competitive pricing because we represent numerous different insurance companies.
- Unlike with other agencies, you are not bound to one company. You do not need to change agencies if you decide to change insurance companies.
- Should you have a claim, we will knowledgeably advise you with respect to the coverages and conditions in your policy and take you through the claim process—making it as easy as possible.
- We offer one-stop shopping for a full range of policy types: home, renters, auto, business, etc.
- We will reach out to you and review your coverage yearly to keep up with your changing insurance needs.
- Insurance is a complicated subject. It's our business to understand it, and communicate it to you so you understand it as well.
- With Mosaic's direct customer service, making changes and asking questions is easy.
