INSURANCE ALLIANCE, LLC

Stronger... Together

HAPPY NEW YEAR! Lets kick off the next 365 days with endless laughter!

We Have All Been Going Through Changes Like Crazy

COVID changed a lot of things for many of us—where we work, how our home life is going, what new things we are doing, what old things we stopped doing, etc. Also, the public has opened up a lot compared to 2020. **When your life has big changes like the ones you see below, call your Mosaic agent to make sure that your insurance is ready!**

- Have you been driving more?
- Are you working in the office again?
- Do you have a new job?
- Has your living situation changed? (i.e. new roommates?)
- Added a new dog to your family?

Have you had a recent change since the pandemic hit?

New job? Driving habits? Home updates?

Make sure your insurance is up-to-date!

Holiday Jewelry

Make sure your insurance is up-to-date!

Mosaic can help you get coverage with carriers like:

Did You Get a Nice Gift?

Did you get a nice gift this Christmas?

Break-ins after the holidays are unfortunately about as common as jewelry gifts are. If you received expensive jewelry, or another high-end item, give your Mosaic agent a call and we can help you get stable coverage right away.

Examples of other expensive gifts:

- Cars
- Electronics
- Tools
- Animals
- Kitchen equipment
- Hobby gadgets

Our phones are open and waiting for you!

A HUGE Thank You to All Who Sent Referrals in 2021!

Referring your friends, family, coworkers, neighbors, and local business owners for a free insurance quote with Mosaic helped us donate money to wonderful Washington nonprofits all over Snohomish County. We are very excited to see what 2022 will bring. To kick off the new year, our next charity of the quarter is **Sherwood** in Lake Stevens! Sherwood helps children and adults with disabilities get educational support and mentorship.

- **Quarter 1: The Darrington Community Center—\$860**
- **Quarter 2: Beautiful Soles in Lynnwood—\$780**
- **Quarter 3: ChildStrive in Everett—\$520**
- **Quarter 4: Dawson Place in Everett—To be announced soon. Stay tuned!**

Sherwood Makes a Difference

LAST YEAR, 796 CHILDREN AND ADULTS WITH DISABILITIES RECEIVED CRITICAL, LIFE-CHANGING SERVICES!

Some Ways to Keep Your Business Safe This Winter

- Salt/sand concrete
- Lag pipes
- Regular maintenance checks
- Have nice floormats by doorways to soak up water
- Mop/dry floors regularly
- Use caution slippery signs

What Do Criminals Look For?

Help keep your business and home safe from predators this year by knowing what they look for! **Also, take precautionary steps like:**

- Always lock all doors and windows.
- Avoid having desirable items in view of windows.
- Add lighting to dark areas like your porch.
- Consider installing cameras near places like by the front and back doors.
- If you purchase things online, take extra precautions such as requesting delivery to lock boxes, setting up deliveries to happen when you are home, and giving instructions to delivery drivers like placing items on the porch in a more concealed spot.

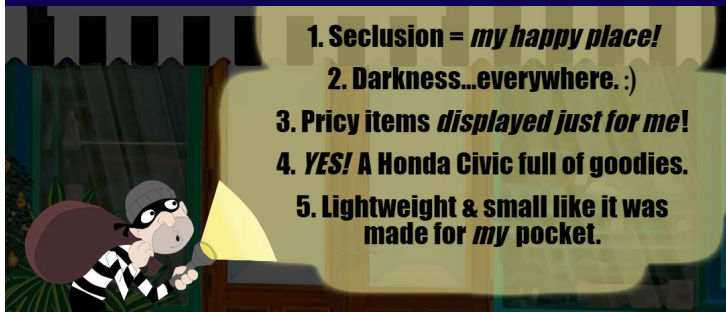

1. Seclusion = *my happy place!*

2. Darkness...everywhere. :)

3. Pricy items *displayed just for me!*

4. **YES!** A Honda Civic full of goodies.

5. Lightweight & small like it was made for *my pocket.*
