

A New Home? How Exciting!

MOSAIC
INSURANCE ALLIANCE, LLC

Stronger... Together

Congratulations on your new purchase!

Have you explored home insurance options yet? Having stable coverage can help protect your new house so you don't have to worry about what you're going to do if the unexpected happens. Let us focus on the insurance you need to secure your new **house** so that you can focus on making it your **home**.

After all, a new house is so exciting—you want to get all the paperwork done as soon as possible so that you can start celebrating. So many new things are on your to-do list right now. **Move home insurance from your list to ours.**

No more calling around to different insurance agencies and being put on hold. When we are your independent agents, we do all the footwork, answering your questions and getting you the best insurance policy for your specific needs.

Mosaic's independent agents = people-to-people relationships. We put the client first, not the insurance company. We view you as a person with an individual situation. Whenever we have a chat, we tailor our next steps to what you and your family needs, getting you the best coverage at a competitive rate as soon as possible.

Your dynamic experience provided by our team duo:

Step 1: We will have a quick chat with you about your new home and collect information.

Step 2: Team collaboration will lift off, determining if bundling home and auto insurance would be beneficial for you.

Step 3: Running proposals for you with our different carriers will show us what is a good fit for you (coverage and premium).

Step 4: We will provide you with your proposal. Once you accept, we will work with you and your lender to ensure your closing process goes smoothly.

We look forward to meeting you!

"**Brittiany** is so great to work with and so helpful. She responds so quickly. Through her, we met Energy, who is also very helpful and great to work with." ~Judy F.

"My agent, **Megan**, has been such an amazing help with getting my renters insurance policy to my renters. The company I work with is quite difficult to get a hold of and get the correct information from and Megan has made it so much easier for me. I appreciate all the work that she has done." ~Madison M. from Bellingham, WA

"I love my agent **Brittiany**. She is SO helpful and always available to give me assistance when I need it." ~Brianna G. from Snohomish, WA

"**Megan** was easy to work with, knowledgeable, and saved me money from my legacy insurance carrier. If you haven't worked with an independent agent you should - she first understands your insurance needs and then shops your coverage to save you money. Happily recommend. Cheers, Megan - thank you!!" ~Ryan H.
