If you had things your way, would you pick...

- A.** Insurance at competitive prices,
- B.** Access to top insurance carriers,
- C.** The one-stop-shop experience,
- D.** No more robotic menus and waiting on hold, or
- E.** All of the above ?

We negotiate with major carriers to maximize coverage and minimize price for processors, producers, retailers, and other cannabis entrepreneurs in 10 different states. **The average client who switches to Mosaic saves 15-20%.**

We look forward to hearing about the products in your wheelhouse—pre-rolls, CBD drops, kief, edibles, dabs, shatter, vape juice, Delta-8 products, grinders, bong, hemp clothing, and other crowd pleasers!
