Food insecurity continues to be a significant issue in our area, with one-quarter of the children in the Monroe school district qualifying for free or reduced-price lunches. Within Snohomish County, nearly 90,000 residents are not sure where their next meal is coming from, and 1 out of 5 children are at risk of hunger.

Every week we provide food for an average of 322 families, enough for 10 meals per person. This amounts to more than 75,000 pounds of food distributed every month—almost **one million pounds** per year! About 65,000 of those pounds are donated by our community and our business partners but the remaining 10,000 plus pounds we distribute every month are purchased with donations from our community.

If you haven't already noticed, we have a brand new Pet Shop! Here you will find friendly volunteers helping you with your pet food needs! As you can see, our shelves are a little empty. We always take pet food donations, as we believe that everyone in the family deserves to have a full tummy, including our furry friends! 🐾🐾🐾
