## News

### ***Did you know that the unemployment rate for people with disabilities is 70%?***

Seventy percent of individuals with disabilities who want to work are sitting at home. Work Opportunities is changing that! We believe that all people deserve the opportunity to work and find their place in the community.

We are so excited about the lives we are changing and want to share one exceptional story with you!

Roarke's life is so much fuller than he could ever have imagined! He grew up in a home environment that couldn't accept his disability and was isolated for most of his childhood

# CREATING A PATH *To Independence*

## *Meet Karen*

### **OFFICE SUPPORT AT KELLEY INSURANCE**

Work Opportunities' Employment Specialists work alongside our clients during the entire employment cycle – from prepping for entry into the workforce, to searching, applying, and interviewing for a job. Once our client gets a job, an Employment Specialist will work alongside and support the employee in learning the tasks of their new job as needed.

In many situations, the employee reaches a point of independence where the Employment Specialist checks in periodically, such as in Karen's case. Karen works in the office at Kelley Insurance doing a multitude of administrative tasks with minimal assistance. She's an asset to the team – helping to keep things organized and on track.

# CREATING ACCOMMODATIONS *To Foster Success*

## *Meet Salina*

### **FRONT OF HOUSE SUPPORT AT DIAMOND KNOT BREW PUB**

Job sharing, flexible schedules, and increased accessibility help any employee do their job. We work to equip each client with the tools and accommodations they need to thrive at their job.

Although Salina has some physical limitations, she receives support from her Employment Specialist that enables her to complete her job at Diamond Knot Brew Pub. Salina works with the wait staff to ensure they stay stocked up on supplies like silverware, napkins and pizza seasonings.

# JOB PREPARATION *To Discover the Right Fit*

## *Meet Joe*

### **LOT PORTER AT DOUG'S MAZDA**

Preparing for a job interview can be stressful. Before applying for a job as a lot porter at Doug's Mazda in Edmonds, Joe spent time discovering his skills and putting together a resume. His Employment Specialist supported him through the whole process, especially with mock interviews.

Now, his supervisor says "Joe gets more done in a day than you'd believe! He works full speed during his whole shift and never stops smiling – he takes his job very seriously. We love having him on the team."
